“The reason why the Aesthetics Awards is so special, is because it celebrates the hard work put in by companies over the year. I’m thrilled to be giving this award to the much-deserving Aesthetic Response”

Dr Tapan Patel, Sponsor

Winning the first ever e-MASTR Award for Best Clinic Support Partner was Aesthetic Response.

The company is the UK’s first support service dedicated solely to aesthetics. Judges described the company as ‘well-organised and customer-focused, that seems to know their area of expertise exceptionally well’. Co-director of Aesthetic Response, Gilly Dickons said, “It feels incredible to win this award, we are ecstatic. We have an amazing team and are all so excited to win. Events like this are so important to raise and champion standards in the industry.”

Sponsor and founder of e-MASTR, Dr Tapan Patel, said, “The reason why the Aesthetics Awards is so special, is because it celebrates the hard work put in by companies over the year. I’m thrilled to be giving this award to the much-deserving Aesthetic Response.”
